Dear Gottlieb:

I am writing first of all to enclose umpires checks.

Next I am expecting an umpire here this Sunday, and one in Trenton Saturday night. We have to start the game in Trenton 7.15, because they have a brown out there and can only use the lights until 10 PM.

Next I have a boy who wants a pair of the shoes size 9½E.

Next can you fill any of these dates, June 3-4-5-6-11-12-14-17-19-20-22-24-29- July 1-3. These are a lot of open dates. Are they playing in Chester? I have contacted someone in N. Carolina about playing the local teams June 3-4-5-6-, but am not too optimistic about getting any games. Will let you know if I hear from them favorably.

Now about Cockrell, Abe gave him \$40.00 yesterday. I am sure this was not right. He should have gotten \$20.00 the day he worked behind the plate. This I can deduct from my league dues. When he worked the bases Tuesday he should have gotten \$10.00 or \$15.00 which. Please let me know. I am a little mixed up on it. This money for umpiring the bases I have to pay. If he has been overpaid, please take it from him and send it to me, unless you want to wait until I have him in Newark the next time.

I am enclosing a statement of Watkins account. It shows he owes me \$48.40, and I also gave him \$10.00 for fare to Philly. I do not know whether that is his bill or mine or yours.

Also enclosing lineup with a few changes.

Very Truly Yours
